

Senior Accountant Position at GGA -- Accounting and Taxation

Serving clients for 35 years, GGA offers flexibility and opportunity...

Working at Griffin Group Accountants is a fantastic step in your accounting career covering a full range of taxation, business advisory and compliance services.

**Are you a highly qualified tax accountant?
Ready to join an experienced CPA & CA team?
Please read on...**

Why work at a smaller firm rather than the 'big-5'?

- Apply and **develop** the breadth of your skills
- **Build** a portfolio of clients and experience
- **See the difference you can make** for clients and the firm
- More opportunity to show **initiative**
- **Access** to learn from highly-experienced managers and business owners
- **More flexible workplace**

Roles and opportunities:

- Process and review advisory and compliance jobs for SME clients
- Meet with long-term clients
- Proactively engage with new prospective clients
- Liaise with internal accountants to facilitate timely, high quality completion of client work
- Liaise with staff at other Griffin Group companies and external accountants
- Be a leader in efficient service and client satisfaction

Your skills and qualifications:

- Managing key client relationships
- Preparation and review of financial accounts, audits, tax return preparation, BAS/IAS statements, with experience covering individual, company, trust, partnership and SMSF client jobs
- Interest and commitment to service quality and customer satisfaction
- High level English language communication skills (spoken and written)
- > 5 years public practice experience
- Confidence to work autonomously and to mentor junior staff
- CPA/CA preferred
- Comfortable using a range of software
